Dear Parents/Carers,

Please read the newsletter about what Class 5W and the school have been doing.

This term our school has been focusing on knife crime and the impact and devastation it causes to those involved as well the local communities. Classes have spent time this term discussing and sharing their thoughts and feelings towards this very sensitive issue. On Monday the challengers gathered together to share some of their work and thoughts around this issue. It was a very empowering and successful assembly, it was great to see how much effort each class had put in. The media taster group worked extremely hard producing a short film about knife crime and the implications surrounding the issue. We are very proud of the learners that worked in this project and cannot wait for part two to be showcased. Please see some of the photos taken during the event.
As part of a module of their ASDAN course Pupils in class 5W have been working on taking care of plants. They began by planting Cress Seeds on tissue to see how seeds germinate and moved on to planting a Broad Bean seed in a pot. They are now at the stage of transferring the seedling to a plot of land just outside of the class so that they can monitor their plants growth as they care for it.
Following the incredible success of the very first 50/50 Club Draw to raise money for the Prom, we would like to congratulate the winner – Sadia Abbas. Sadia works in HR at William Morris School and she was so surprised and excited to win gift vouchers for The Restaurant Choice and Sainsbury’s to the value of £110.00!

15W are delighted to announce the launch of the next draw on Monday 11th June 2018! Tickets are £1 each and will be on sale from Monday 4th June 2018, look out for the letter coming home after half-term!
Physiotherapy

Our class have been taking part in their physiotherapy plans daily using their walkers, mats and working with the Physio team. This helps the students build muscle, stretch and improve co-ordination.
Message from Metropolitan Police:

Metropolitan Special Constabulary Recruitment

We are trying to reach our local communities to grow our Special Police Constabulary. I wondered if any parents and families may be interested in volunteering 16 hours per month to policing.

MSC OPEN DAY
Monday 11th June, 10.00 – 16.00 drop in
The Magistrates
Walthamstow
E17 4NX

We are also looking for more organisations to join our Employer Supported Policing scheme, and sponsor their employees for two days each month. We will be hosting a presentation on this as well on the 11th at 14:00.

It's not like being a Police Officer.
It is being a Police Officer.

SPECIAL CONSTABLES

If you're ever thought that you could be a Police Officer, or wondered how you could make a difference in your community, this may just be a day at the office. Not getting married. Not sitting in your own, you could be helping our colleagues. For the next few years, we hope all Officers in our police training it is safe and rewarding. It presents you with a challenge of doing something well. You'll make a difference, you'll feel good about it.

Though you won't get paid, you will receive free 1 week block and 1 week of training, for 5 weeks of training and £700 and £700 and 1 week of training.
